**Introduction**

The Carver Healing Collection spans the years 1894 to 1994 with the concentration of materials being between 1955 and 1994. The items in the collection are arranged in alphabetical order by the name of the ministry or the primary leader of the organization.

The collection is composed of various materials from organizations and individuals having healing and educational ministries. The largest segment of the collection involves the ministry of Rev. A.A. Allen. This material includes correspondence, photographs, and educational materials chronicling Allen's ministry in the 1950's and 1960's. Another large section of the collection is from World Harvest Evangelism, Inc. and its leader, Lloyd Sweet. This material revolves around its ministry primarily in the New England area, but also includes materials from other parts of the world. Other key individuals and organizations in this collection include: the Assemblies of God, Jim Bakker, F.F. Bosworth, Frank Boyd, William Branham, Christ For The Nations, the Christian Broadcasting Network, Inc., Jack Coe, Guy P. Duffield, the International Church Of The Foursquare Gospel, John MacArthur, Myer Pearlman, Charles Price, Oral Roberts, R.W. Schambach, Don Stewart, Jimmy Swaggert, Teen Challenge, Thru The Bible Radio (J. Vernon McGee), David Wilkerson, and World Evangelism, Inc. (Morris Cerrullo).

This collection was processed by Jonathan Mikesell from March to December, 1997. The finding aid was prepared by Jonathan Mikesell from December, 1997 to February, 1998.

**Historical Sketch**

The materials in this collection were gathered by Rev. John W. Carver, Jr. of Catonsville, Maryland. Carver, who saw his career objective as being an evangelist, began his ministry 1969 at the Faith Tabernacle of Baltimore, Maryland under the leadership of pastor R.G. Hardy. His work during this time centered around ministry to inmates

through the prison outreach of Teen Challenge. Carver also participated in and conducted street meetings in the Baltimore area. In 1973, he spent approximately eight months traveling as a full time evangelist in several states.

A home Bible study was started in Carver's home in January of 1973 with the intention of training people to become more evangelistic. This study group eventually led to the formation in 1974 of Faith Outreach Chapel, Inc. in Baltimore. Carver served as pastor from 1974 to 1994 when he was promoted to senior pastor and evangelist. He also established John Carver Evangelistic Ministries at that time. In September, 1978, Carver founded Faith Outreach Bible Training Center and Graduate School. The primary emphasis of this school was to train individuals for such ministries as: convalescent homes, jail services, seamen's outreach, street and tent meetings, and door-to-door visitation. Beginning in 1980, Carver's performed the role of archivist. The primary thrust of his collections revolved around the individuals who initiated the Pentecostal Movement in the 1930's to 1950's.

Rev. Carver received his ordination license from Rev. R.W. Schambach of Miracle Temple. His primary education came from courses of study developed by many of the people in this collection and from doing ministry under such people as R.G. Hardy, Philip B. McKinney, Mary E. McKinney, and David Stewart.
